Our March SCOHA luncheon presentation will be given by Andy Slack. Mr. Slack has extensive experience with irrigation and landscaping. His experience includes golf course supervision, water management, and consulting to HOAs, cities, and water districts.

Andy recognizes that a large portion of many HOAs' budgets are for landscaping expenses, including irrigation, water bills, maintenance, renovation, and construction. He will discuss what to look for when shopping for your next landscaping contractor, including hints on how to shop, interview, select, and manage contracting companies.

We look forward to seeing you on March 27!
